HA

Tricky Plurals

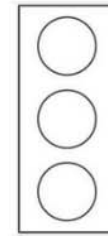

Write out the following writing the correct plurals of the nouns:

The chefes took out the knives and cut the loafes of bread into halves. The mouses were watching and some ran around the foots of the mans. Just then two woman and two childs came into the kitchen. "We don't want breads! We want to eat those gooses with sauce made from mangos!" The ladys were the wifes of the chefs. They said to their childs "Your tooths will fall out! Anyway, there is funguses on the bread...too much bacteriums! You will destroy ours lifes if we eat that."
