Questions to help...

What time does it start?

What time does it finish?

What can you do at playtime?

What happens if it rains?

Is playtime better in Summer or Winter?

Why?

Are there any rules for playtimes?

Playtime

Playtime at our school starts at 10:30 and finishes at 10:45. At playtime we go outside and play with our friends. You can play basketball or football. If it rains we have wet play. Wet play is when we have our playtime in our classroom. During the summer, playtimes are much better because we can play on the grass.
