Playtime

playtime at carpenters starts at 10:30 and finishes at 10:45 at playtime we go outside and play with our friends You can play basketball or football If it rains we have wet play. Wet play is when we have our playtime in our classroom. during the summer playtimes are much better because we can play on the grass.

Playtime

Playtime at our school starts at 10:30 and finishes at 10:45. At playtime we go outside and play with our friends. You can play basketball or football. If it rains we have wet play. Wet play is when we have our playtime in our classroom. During the summer, playtimes are much better because we can play on the grass.

How could we present the playtime text?

- we could add a picture.
- we could use captions.
- we could use subheadings.
- we could use a different font for the title.
- also use the space wisely and make it more appealing.

Plenary

What was good?

What could we do to make it even better?
