

# THE INVADER

## Headline Viking Victory!!!

Main Text Yesterday the Vikings landed in Ireland on their hunt for new land and treasure.

They landed on a beach near a monastery. There were stone buildings and straw houses. The straw houses were set on fire.

Some villagers were frightened and tried to run away. Some tried to

Fight but the Vikings were too strong and many were hurt. The Vikings were well organised some protecting their boats. They had large shields to protect them and carried sharp swords.

The raid was very successful for the Vikings. They took animals for their dinner, silver to sell back in Norway, and some prisoners who will be slaves.
