

To answer questions about tally charts

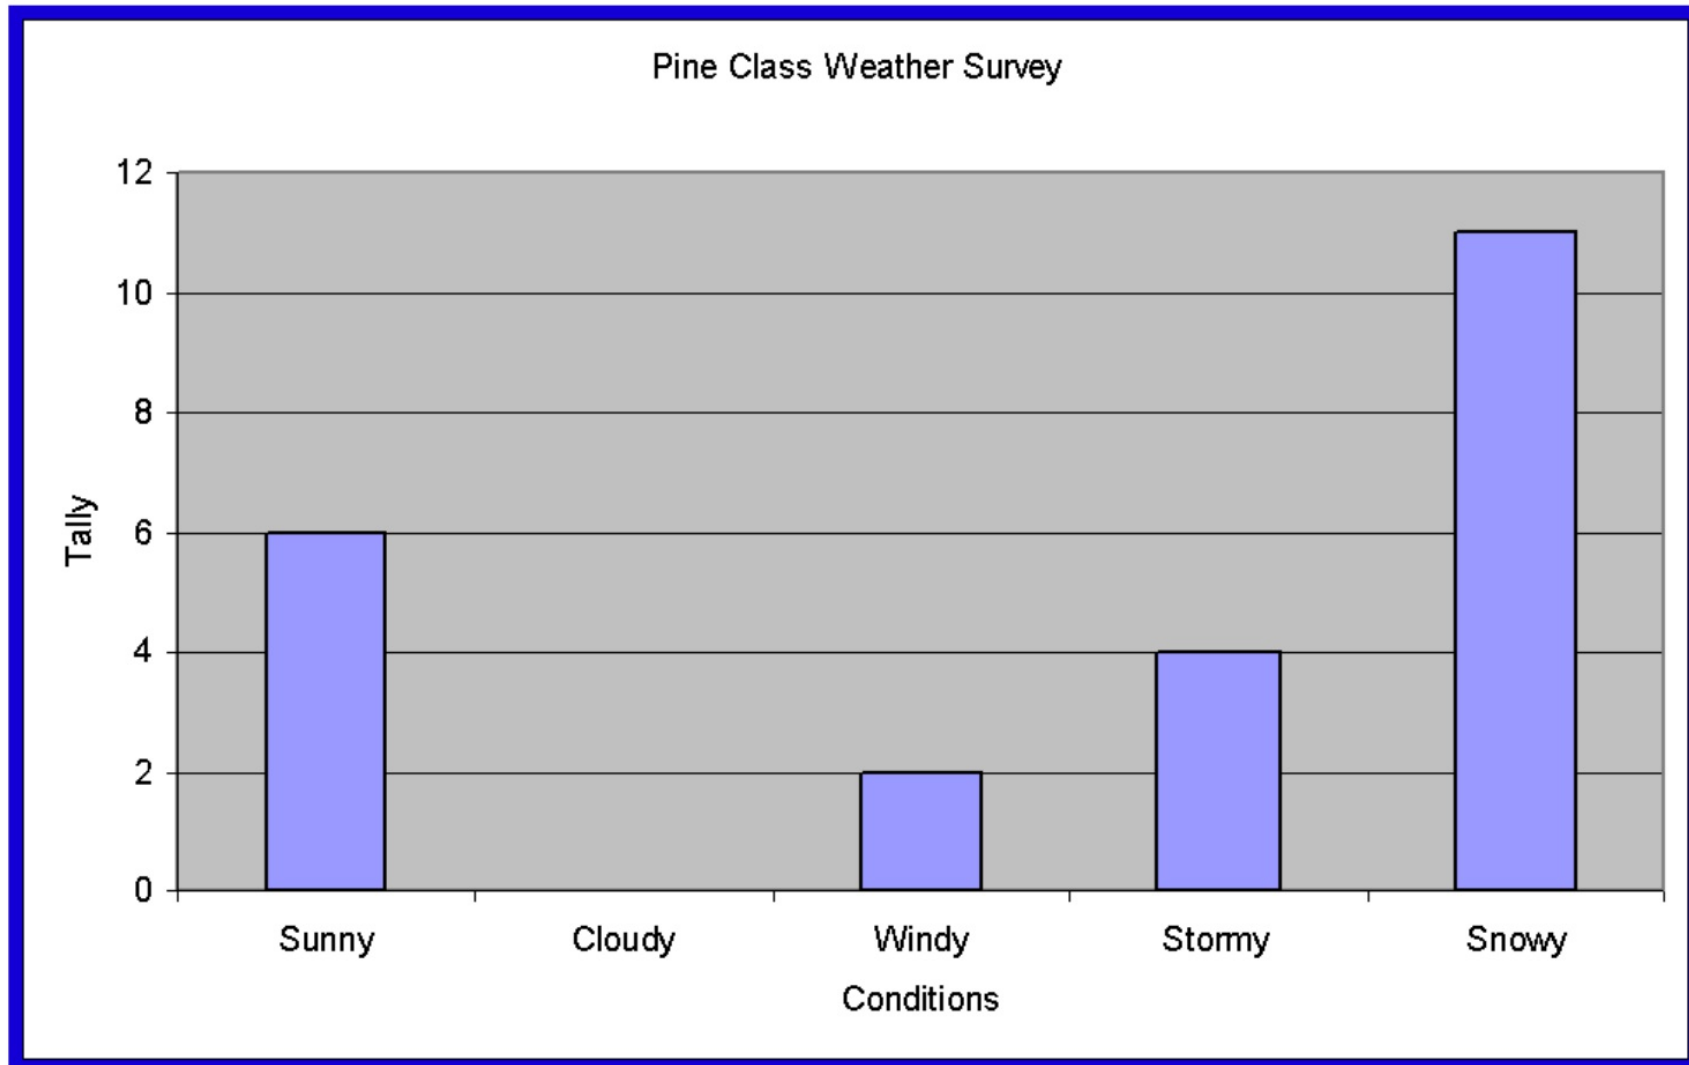

Steps to Success:

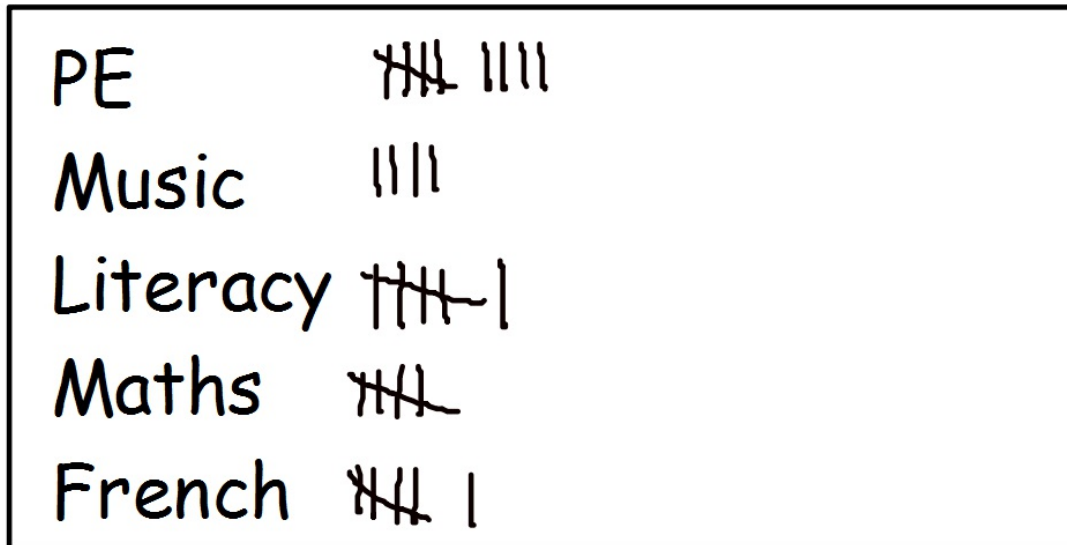

- 1) I can count tallies in groups of 5
- 2) I can answer questions about the chart
- 3) I can think of a title for a chart

How many more children liked muffins than cakes?

How many more children liked snow than storms?

- 1) What do you think the chart shows?
- 2) What was the most popular subject?
- 3) What was the least popular subject?
- 4) How many children were surveyed altogether?
- 5) What do you think the title should be?
- 6) How many more children liked PE than Maths?
